att. Mr Snyder

Dear Mr Snyder:

I am enclosing the check we spoke about today.
Also the letter that came with it.

Leniel Hooker was hit by a ball, and had to have
medical attention, but did not lose much time,
and is not putting in any claim for compensation.

I am sorry the matter was reported to the Florida
Commission. In the future we will report to the
Newark office only, no matter where the injury
occurs.

Very Truly Yours
